Action & Plan

➢we already have an article on the Millennium Project website describing this MP-OntologySummit2010 RTDelphi collaboration

   See: http://www.millennium-project.org/millennium/ontology.html

➢we plan to write up the results into a "Future of Ontologists" whitepaper, and submit that for publication in the (next) "State of the Future 2010" Report

About the "**State of the Future**" Report

➢ An annual publication of the Millennium Project since 1997

➢ With contributions from about 2,500 futurists, scholars, decision-makers, and business planners from over 50 countries, since its inception

➢ Last year: 2009 State of the Future - by Jerome C. Glenn, Theodore J. Gordon, and Elizabeth Florescu - ISBN: 978-0-9818941-2-6 (2009.08.01)

  ➢ Paperback with CD

  ➢ 100-page print and an attached CD containing about 6,700 pages of research behind the print edition and The Millennium Project's 13 years of cumulative research and methods.

  ➢ Executive Summary: English, French, German, Japanese, Spanish

  ➢ Translations available: Arabic, Azeri, Chinese, Farsi, Korean,Russian, and Spanish

➢ See: http://www.millennium-project.org/millennium/publications.html

Planned content for this "**Future of Ontologists**" Paper

➢a brief introduction to "what is an ontology"

➢why does it matter?

➢the Ontology Summit 2010 Real-time Delphi Study and a synthesis of the findings

➢inclusion of the Ontology Summit 2010 Communique

Thank You!
