The OS Communiqué – A Short Reminder

Amanda Vizedom and Fabian Neuhaus

17 Jan 2013

Background

- OS: not just a place for exchanging ideas
- Goal: community consensus, worth sharing: a contribution to understanding of topic area
- Means: Communiqué summarizes results of OS, endorsed by individuals
- Process: Communiqué develops over course of Summit, reflects developing understanding and consensus
  - Most content in place by time of Symposium
  - Threshold for late change/new topic suggestions
  - No wordsmithing at symposium

Schedule

- First draft April 11th
- Second draft April 25th
- Final draft May 1st
- Presentation at symposium in Gaithersburg
- Time for endorsements (until June 3th)
- Publication ("Applied Ontology")
