What could be improved?

- a) The Tracks
- b) The Hackathons and Clinics
- c) The Symposium
- d) The Communiqué
- e) The mailing list discourse
- f) Contributions on the wiki
- g) The website(s)
- h) The survey
- i) Community library
- j) Publicity / public relations

What should we do next year?

The schedule

- as this year or
- taking some/all of Matthew's ideas)

The topic

- Something fashionable like "Big Data" or
- something worthy like "Ontology Development Methodology"
